Cuairteanna Ó Thuismitheoirí (Parental Visits)

Parents are welcome to visit their children during the course. We would only ask that they wait until the middle weekend of the course to do so, to allow the students time to settle in. Relatives or friends may also visit students, but must have signed permission from the parents. Verbal permission is not sufficient.

Taisteal (Travel)

Coláiste Uí Chadhain provides transport to and from the Coláiste at the beginning and end of the courses – at no extra cost. The collection points are listed below.

Dublin • Ballinasloe • Naas • Athlone
Galway • Castlebar and at other points
depending on feasibility.

Own Travel Arrangements (Please Indicate)
(Please indicate your preference on the
application form, no. 11)

Feitheoireacht (Supervision)

Students are supervised at all times. Students are never allowed to wander off on their own or with a small group (not that they would ever want to!)

Sláinte (Medical Attention)

- There is a doctor on call at all times.
- Students' medical needs are always given utmost priority.
- Medical costs are borne by parents/guardians

Turais (Tours)

Tours are organised around Conamara and to the Aran Islands (Optional, but well worth a visit)

Seisiúin Eolais/Agallaimh (Information Sessions/ Interviews)

To help answer all your questions, Coláiste Uí Chadhain provides information sessions for parents of new students, before the courses begin. All new students are also interviewed so we can obtain some idea of each applicant's standard of Irish. This is necessary in light of the basic requirement of using some Irish words in every sentence.

The locations for the information sessions are listed below:

Dublin • Naas • Enniscorthy
Athlone • Castlebar • Galway

(please indicate your choice of venue on the application form, no. 10)
